Between the covers of this book, conveniently listed by commodity headings, you will find:

The merchant whose address you've forgotten.

The store, the name of which is not quite clear in your mind.

Plumbers, roofers, glaziers, movers, decorators, awning makers, private detectives, taxis, a man to rid your house of pests, and all the hundred and one services and "things" you need now or may need at some future time.

Neighborhood merchants too. Drug Stores, grocers, tailors, garages, laundries, etc.

Briefly, everything you want—and arranged so you can find what you want easily.

Look through this book before you make a purchase - shop carefully -

AIDS TO PROPER MAILING

Write name and address plainly and completely.

Place name and address of sender on all matters.

Prepay postage fully on all letters and parcels.

Use street and number in return address on your envelope and also letter heads.

Always address mail for city delivery to street and number, and request correspondents to do likewise.

Use designation North or South, West or East when it is a proper part of the address and save delay in delivery.

Insure valuable parcels.

Wrap parcel post carefully in heavy paper, and tie knots securely.

Do not use cards or envelopes smaller than a Government Postal Card.

Avoid the use of the word "City" as a part of the address. It may result in delay.

Avoid abbreviation of state names: Pa., Va., and La., frequently look very much alike when written. It is difficult to distinguish between Me., Mo., Md., and Ind., or Cal., and Col. The abbreviation recommended for Colorado is Colo., and for California is Calif.

YOU WILL OFTEN GAIN A DAY'S TIME IN DELIVERY BY DEPOSITING MAIL AS SOON AS IT IS READY.

Pamphlets showing the hours "Mails Close" at the post office and the time in transit between all of the large cities in the United States may be had upon application to the Superintendent of Mails.

WE cleanse your rugs thoroughly and store them safely in our own storage plant exclusively for rugs and carpets in which they are insured against fire, theft, and the little pesty damaging moths.

Preserve the romance and life of your rugs. Wash-cleaning cleanses thoroughly and properly; is sanitary and harmless. Washing is better and safer than shampoo and naphtha cleaning.

We place at your command an excellence in performance that has been associated with Nargizian Service for over forty years.

Your business is welcome on the merits of the true value we give in return for the cost to you.

..Why NAPHTHA?

. . because cleaning in Naphtha preserves original beauty and lustre of Oriental and Domestic rugs, antiques and rare tapestries

RUGS are drenched for hours in pure distilled naphtha. Stains dissolve. Dirt and dust are gently removed by continual rinsing in thousands of gallons of pure naphtha. Cleans surface, pile and back. Destroys moth eggs. It does not remove the natural oils in rugs. Leaves the threads strong and full of life. Colors are restored to their warmth and beauty. *LIKE NEW*.

We do not shampoo or scour with water or injurious chemicals. No abusive scrubbing; no wringer or squeegee used.

Also, we DRY STEAM every rug and carpet to raise crushed pile. All domestic rugs and carpets re-sized to insure against limpness.

A naphtha cleaned rug or carpet retains its life and body LIKE NEW. It does not look washed or limp.

Why Waste Energy?

Mrs. Johnson knows the advantages of saving her energy. That's why she has extension telephones. They save her hundreds of steps a day. There's a telephone in the foyer, one in the living room beside her easy chair, and, of course, one in the bedroom.

No wonder she looks and feels better than the rest of her friends!

WASTED STEPS

The average wife walks several miles in her daily household duties. Trudging back and forth to answer the telephone accounts for many hundred needless steps.

How to save them? Simply have an extension telephone within a dozen steps of you at all times whether you're in the living room, kitchen or bedroom. You'll never feel the cost—it's only a few cents a day for each extension telephone.
